Dear «BthFirst»,

Floorplan Update!

A new floorplan of the USA Partnership Pavilion has been released. Due to aisle changes imposed by the organizers, some booths have been displaced to a different block. We have done our best to put all clients in the best position possible and keep dimensions and orientations intact as not to effect booth builds, graphics, etc. If you see any issues, please [email us](mailto:usa@kallman.com) immediately.

**New booth numbers have NOT been released yet. As soon as they are received, we will send them to you.*
