Login to your [Kallman Exhibitor Portal](#) at any time to make changes to the US Visitor Form. We encourage you to update your listing sooner than later to ensure all exposure leading up to the show is up to date. To view your currently listing, [click here](#).

Informa's Online Event Platform

Not to be confused with Kallman's US1 form, My Company Profile is also a mandatory section within the [Customer Care Centre](#).

Once you have registered and badge submissions are done, you can then access **Swapcard**, the technology used for the Online event of Arab Health.

As an exhibitor, this is where your virtual showcase will be hosted and where you will be able to set up meetings, attend or present live sessions as well as network with attendees and generate leads.

Important: *It is mandatory to fill in the exhibitor registration form in the exhibitor badge section for each individual, in order to get access to the online event.*
