Dear «BthFirst»,

We are currently in the process of designing a new and exciting pavilion, which is holding up a few of the order forms. We are making a few modifications and will likely have the final design within a week. After the new design is approved, you will receive an email notifying you that the order forms are activated.

You will then be able to see the new turnkey design and order graphics, carpet padding, different color carpet, furniture options, etc., based on how you would like to customize your space.

In the meantime, please review our [Adipec Exhibitor Zone](#), under the USA Partnership Pavilion Form. There you will see our form deadlines.

We hope you find this information helpful. If you have any questions or concerns, please do not hesitate to contact us.

Best Regards,
The Kallman Worldwide ADIPEC Team
