Dear «BthFirst»,

### US4 – Stand Design Submission is past due.

This is a friend reminder that as a Space Only exhibitor, in the USA Partnership Pavilion, we ask as a courtesy that a drawing or plan of the proposed booth installation be submitted for review. We also ask that you include your stand builder's onsite contact information so we can be of assistance if needed during the buildup. We, as the organizers of the USA Partnership Pavilion, want to ensure the overall cohesiveness with our design as well as identify any conflicting items that will disturb neighboring companies.

Please submit US4 stand design and stand builder details form no later than **Tuesday, October 26, 2021**. – You may [click here](#) to submit your stand builders contact details, stand renderings and elevations.

If you miss any of our communications, don't worry – we archive all past emails on our [Exhibitor Zone](#) for ADIPEC under the Exhibitor Communications tab!

If you have any questions or concerns, please do not hesitate to contact us.
