SAFETY & SECURITY AT THE SHOW

GENERAL EXHIBITION SECURITY

Overall surveillance of the exhibition site is provided by the organizer. Equipment displayed on the booth is the responsibility of the exhibitor, day and night. You should take all appropriate measures to be protected against damage and theft. Exhibitors are advised to assign an appointed staff member to watch over their own booth. Be sure to take all necessary measures to ensure the safety of your belongings.

WHAT TO DO IN CASE OF EMERGENCY?

First Aid Points are located on the concourse adjacent to both Hall 7 entrances and Hall 2. In case of a medical emergency:

- Telephone the Control Room on 02 406 4444 or extension 4444.
- Give the location of the casualty and details of the injury sustained
- The Control Room will arrange for the First Aid Staff to attend the location immediately
- Remain with the injured person until the arrival of the medical staff in order to provide vital information they may inquire about the incident.
