

Safe Management Measures (SMM)

SMM – Before Event (1/2)

A. Registration to Attend Event

- All attendees must be pre-registered & pre-approved.
- No walk-ins or onsite registration will be allowed

B. Vaccination

- All attendees* to Singapore Airshow 2022 **must be vaccinated** with COVID-19 vaccines listed under the World Health Organisation Emergency Use Listing (WHO EUL). Proof of vaccination is required at the point of entry into the event site.
- Please refer to <https://safetravel.ica.gov.sg/health/vtsg#acceptedvaccines> for the list of approved vaccines.

**Please have your [TraceTogether App](#) and NRIC/FIN/Passport at all times for verification, when requested.*

SMM – Before Event (2/2)

The following vaccination status scenarios are valid:

- Vaccinated/Will be vaccinated in Singapore or Overseas with full regimen of WHO EUL vaccines
- Recovered from COVID-19 in Singapore and subsequently received 1 dose of WHO EUL vaccine in Singapore
- Recovered from COVID-19 with first positive PCR test result obtained in Singapore within 270 days
- [Singapore Resident only] Medically certified with PET Exemption Notice or Discharge Memo on ineligibility for vaccines under the National Vaccination Programme

For overseas attendees:

Note the final dose of vaccine must be take at least 14 days before arrival in Singapore.

Visit Singapore's Immigration and Checkpoint Authority (ICA) website [here](#) for more information on how to get your vaccination status recorded.

SMM on Event Days: Pre-event Test (PET)

Daily Pre-event Testing- Antigen Rapid Test (ART)

- **Negative ART** result is required before access to the event site is granted. More information will be provided in due course.
- *As the ART result is only valid for 24-hours, please ensure that the result remains valid until **7pm** on the day of the visit*

Official Hotels	Listed Hotels	Other Hotels

[^]More information will be made available from Mid-Dec 2021 onwards.

- Wear mask at all times, covering both nose and mouth (except when eating and drinking)
- Maintain 1m safe distancing with others at all times
- Sanitise hands before and after touching common surfaces
- Pre-event testing before admission to event is granted

SMM : Chalet & Stand Construction

- 1) Dining areas must be clearly segregated from non-dining area and accessed only for the sole purpose of food consumption.
- 2) Exhibitors are to submit their layout plan for approval. The plan shall indicate the demarcated areas of dining, method of demarcation and access control.
- 3) All parties shall ensure that safe distancing of 1m between each person is taken into consideration when planning the layout of all dining, seating and working areas.
- 4) Air purifiers are also recommended to be placed in the chalets, and individual rooms within the chalet to enhance air quality and circulation.
- 5) Exhibitors are encouraged to engage the Official Cleaning Contractor for cleaning of your booth and chalet, especially high touched areas.

- 1) No food and beverages are to be served or consumed during networking sessions. Removal of masks when consuming food and beverages, combined with individuals speaking to each other, increases the risk of transmission
- 2) Dining areas must be clearly segregated from non-dining areas and accessed only for the sole purpose of food consumption. Access control to ensure compliance is required.
- 3) Meal durations should be kept short to minimise the period where individuals are unmasked, and the meal should not be a main feature of the event.
- 4) Participants must remain masked when not consuming food and beverages.
- 5) Guests must be seated when consuming meals and all individuals must remain in the same table throughout the meal

- 6) No inter-table mingling is allowed during the meal.
- 7) There must be no cheering or other verbal exhortations accompanied by toasting or other rituals
- 8) Food must be individually packed/served (No buffet is allowed)
- 9) Maintain at least 1m between seated guests (round table: max 5 pax per table)
- 10) Manpower to be deployed to ensure compliance of safe management measures are during meal times.
