Dear «BthFirst»,

We have been informed that there are Visa and Quarantine requirements to visit South Korea for the **Seoul ADEX 2021** event that require your immediate attention. If you hold a passport from one of the 21 countries listed below, you are eligible to apply for the K-ETA application.

21 Countries:

Albania, Andorra, Barbados, Dominica, Guam, Guyana, Holy See, Ireland, Malta, Mexico, Monaco, New Caledonia, Nicaragua, Palau, Saint Kitts and Nevis, Saint Vincent and the Grenadines, San Marino, Slovenia, United Kingdom, United States of America, Venezuela.

QUARANTINE EXEMPTION APPROVAL

Click [here](#) to review the **Quarantine Exemption Guide** that has been prepared by the Seoul ADEX Office in conjunction with South Korean government's approving ministry, DAPA.

The purpose of the guide is to give you advice for successful quarantine exemption approval. Please note that prior to submitting the required [Quarantine Exemption Application form](#), each attending staff member must register for their Seoul ADEX exhibitor's badge. You may register for exhibitor badges by clicking on the [Seoul ADEX Organizer's EOSS](#). To access the information and forms in the EOSS system, you are required to input your username and password. If you do not know your username/password, please reach out to SharonS@Kallman.com.

Please note some other important requirements for applying for quarantine exemption:

- Quarantine Exemption is only possible for "fully-vaccinated" persons. Approved vaccines by WHO: AstraZeneca, Covishield, Janssen (Johnson & Johnson), Moderna, Pfizer, Sinovac.
- **Flight, hotel, and K-ETA** confirmations are required to complete the Quarantine Exemption application.
- The "guide" recommends that for best chance of having exemption granted, your length of stay should not exceed 7 days.
- All travelers to South Korea must present a negative COVID-19 PCR test result. Additionally, all persons must take a PCR test upon arrival.
- Read the [Quarantine Exemption Guide](#) for complete information.

Once you thoroughly read through the instructions in the **Quarantine Exemption Guide**, download both of the following documents:

- [Quarantine Exemption Application](#)
- [Quarantine Exemption Application excel spreadsheet](#)

Upon completion of these two forms, save each document with your name included in the title of the document, then submit these documents to intlexhibitor@seouladex.com by September 10, 2021. As shared in the last page of the Quarantine Exemption Guide, due to the unpredictability of ever-changing circumstances, any and all guidelines, requirements and approval process are subject to change.

We will keep you informed should we receive updated information.
