Dear «BthFirst»,

Aisle Directions

In accordance with Dubai's Covid-19 safety regulations, the Dubai World Trade Center has instituted specific aisle directions as a way, to monitor social distancing. Wider aisles will allow enough space for two-way traffic and smaller aisles will allow for one way traffic. Floor decals will be made present throughout the show floors.

Please review the [Floor plan](#) and familiarize yourself with your general area aisles.

We hope you find this information helpful. If you have any questions or concerns, please do not hesitate to contact us.
