Dear «BthFirst»,

Visit Connect and Swapcard

As part of your participation in Arab Health 2021, your company will have access to Informa's New Online Event Platform features:

- **Visit Connect** is where all exhibitors from your company will have to be registered to receive access to the Lead Retrieval app (which will be launched in 10-12 days by Informa), and their Exhibitor Badges.
- **Swapcard** is a virtual showcase where you will be able to set up meetings, attend or present live sessions as well as network with attendees and generate leads.

These [instructions](#) will help navigate the registration through Visit Connect, how to access Swapcard, helpful information on creating your Swapcard profile, and how to print the badges. There is also a webinar that takes you step by step through the entire process.

We hope you find this information helpful. If you have any questions or concerns, please do not hesitate to contact us.

Best Regards,
The Kallman Worldwide Arab Health Team
