

WE LISTEN. WE INVENT. WE DELIVER.

Looking for aircraft, parts or maintenance services?

The U.S. International Pavilion at Japan Aerospace 2016 features the industry's most innovative partners, products and services.

Visit the Pavilion in West Hall 3, and learn how American suppliers can help you gain a competitive advantage in any market sector anywhere in the world.

Japan's new security legislation authorizing "collective self-defense" expands the role of the nation's Self-Defense Force.
